

BOSTON ELECTS FITZGERALD MAYOR

For a Four Year Term—First Partyless Election Under the New Charter.

PLURALITY OF 1,414 OVER STORROW

Present Mayor, Hibbard, who Received 30,000 Votes Two Years Ago, Being Elected Over Fitzgerald, Yesterday Received Only 1,783 Votes—Record Total Vote Cast—Excitement Ran High All Day.

Boston, Jan. 11.—Boston today, in the first partyless election held under her new charter, elected former Mayor John F. Fitzgerald to fill again the office of chief magistrate.

The most remarkable feature of the election to many was the small vote of 1,783 given the present mayor, George A. Hibbard, who received 30,000 votes two years ago, being elected on a reform ticket against his previous fourth majority aspirant, Nathaniel H. Taylor, found only 829 supporters.

While the figures above were those announced at City hall, Mr. Storrow's campaign manager had other returns, and on these a different picture was shown early in the evening, that while he acknowledged the election of Fitzgerald by an apparent plurality of 491 votes, he would ask for a recount.

The campaign, noteworthy in many ways was carried on by the creation of a record total vote, 55,125, more than 54 per cent of the total registration, was cast. The largest previous record was cast in 1907, when Mr. Fitzgerald was first elected mayor, the total vote then being 52,294, of which Mr. Fitzgerald received 44,171.

Not a Newspaper Advocated Fitzgerald. Mr. Fitzgerald won his victory today in spite of the fact that the daily newspapers of the city advocated his election. He based his campaign on a plea of independence in his previous term in office having been conspicuous for the exposure of the finance commission of great amount, and for his subordination in City hall. Like Mr. Storrow, he is a democrat in national politics and has been a democrat also in local politics.

Under the provisions of the new charter the ballots have no party designations, but only the candidates' names and street addresses, even the ward numbers.

Storrow Made Transcendent Fight. Mr. Storrow, who resigned the presidency of the chamber of commerce to cross the campaign, made a transcendent fight to gain the chief executive position of the city, promising the citizens a private address and administration. He was unable to overcome, however, the work of the powerful personal following of Mr. Fitzgerald.

High Excitement All Day. Throughout the city excitement ran high all day. The voting in the early hours was heavy, and by noon it was clearly evident that an unprecedented vote was being cast. Tremendous efforts were made by both sides to get out the voters, two men even being summoned to leave their beds in a hospital to assist in the work.

With one of the exceptions, the battle of the ballots was conducted in orderly fashion. One man was arrested in Ward 8, the other in Ward 10, Lemmesey, one of Fitzgerald's chief assistants, charged with repeating.

Two Felons Break Away From Sing Sing Prison. Bolt from Breakfast Gang—Both Recaptured Near Tarrytown.

New York, Jan. 11.—Frederick A. Medwed and Francis Frank, prisoners at Sing Sing, bolted from the "breakfast gang" this morning, and made for the river.

Their tracks were discovered on the shore of the Hudson and on the closely packed logs of the stream. Instead of trying to cross at that point, however, the two men had evidently made for the bank a short distance down shore and looked down the river toward Tarrytown.

The fugitives in their flight were confident of running down the men, who, although they had a good start when they were garbed in the gray prison uniform, making it difficult for them to avoid detection by the police of nearby towns, warned to be on the lookout for them.

Frank was captured near Tarrytown late this afternoon as he was leaving a deserted cottage, equipped with a burglar alarm system.
